

For Users of Kurodake Ski Area

Japan Funicular Transport Association, Ski Association of Japan, Ski Instructors Association of Japan, National Ski Safety Measure Council Japan Snowboarding Association.

This ski resort makes its best efforts to ensure your safety.

Please understand the following matters and observe the separately prescribed Action Rules at Ski Areas to prevent accidents.

(Snowboarders are kindly requested to replace “ski” with “snowboard.”)

1. Please be aware that there are specific risks in skiing.

Exercise caution to avoid the following risks.

(1) Risk due to weather conditions such as snow, wind and fog

(2) Risk due to terrain such as cliffs and irregularities

(3) Risk due to snow conditions such as frozen snow surfaces and avalanches

(4) Risk due to natural obstacles such as rocks and standing trees

(5) Risk due to artificial obstacles such as lift facilities, buildings and snow vehicles

(6) Risk due to contact with other skiers

(7) Risk due to your own negligence

2. Please do not leave controlled ski areas, and do not go beyond designated courses in the controlled areas.

3. Please do not let children act alone in a place where parents can't keep an eye on them.

4. This ski resort is not responsible for accidents due to negligence or disregard of this notification and the Action Rules at Ski Resorts.

Those who cannot accept these matters are not permitted to ski at this ski resort.

Action Rules at Ski Areas

1. Do not hurt or threaten other people.

2. Control your speed according to circumstances, such as the terrain, weather, snow quality, skiing skills, physical condition and congestion, so you can easily stop anytime to avoid danger.

3. Take care not to interfere with people skiing in front of you.

4. When overtaking other people, keep a sufficient distance from them.

5. When starting to ski, joining other people or crossing across a slope, carefully look upslope to ensure your safety.

6. Do not sit on a course. Refrain from stopping in a narrow area or an area with poor visibility. If you fall down, quickly clear space for other skiers.

7. When climbing, walking and stopping, use the edge of the course.

8. Attach flow stoppers to your skis or snowboard.
9. Observe precautions given by notices, signs and announcements, and follow instructions from ski patrols and ski resort staff.
10. If an accident occurs, cooperate with relief operations and reporting, and disclose your identity regardless of whether you are a person involved in the accident or a witness.
