

## **For users of Kurodake ski lift**

Your actions affect you and all other user's safety.

When using the ski lift, you are responsible and liable. Please observe the following rules.

<When riding the ski lift>

1. If you are concerned about using the lift, please let us know.
2. Please wait with your skis facing forward correctly at the boarding position.
3. If you miss the lift, please leave the lift immediately.
4. Please be careful not to disturb your neighbors with your poles.
5. Please place backpacks on your lap and be careful of the strings on your clothes.

<While riding the ski lift>

1. If the lift is equipped with a safety bar, pull down the safety bar and sit back properly in the chair.
2. While riding, please do not do the following:
  - (1) Rocking the chair
  - (2) Jumping off a chair
  - (3) Playing around on a chair or turning your back
  - (4) Touching the pillar with poles
  - (5) Touching the snow with the tip of the ski
3. Do not jump off the lift even if it stops.

<When getting off the ski lift>

1. Please be prepared to get off as you approach the drop off point.
2. When getting off the ski lift, stand up at the drop off point and ski straight down.
3. If you can't get off, please stay in the chair.

When using the ski lift, please follow the above precautions and the instructions of the staff.
